Operational Services

Administrative Procedure - Fraud, Waste, and Abuse Awareness Program

The Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) and federal regulations (2 C.F.R. §200.113) require grant fund recipients to timely disclose, in writing, all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal awarding agency or pass-through entity, e.g., Ill. State Board of Education (ISBE).

In alignment with best practices contained in ISBE's *Fiscal Procedures Handbook*, the District has a Fraud, Waste, and Abuse Awareness Program, which includes employee reporting procedures for suspected fraud, waste, or abuse. The District will take all appropriate measures to deter fraud, waste, and abuse.

Reporting

The District encourages all District employees to be vigilant and report suspicions of fraud, waste, or abuse. Employees who make good faith reports of suspected violations of law, public corruption or wrongdoing are protected from retaliation by the provisions of the Ill. Whistleblower Act (740 ILCS 174/). See the chart below for details on how to make a report.

Enforcement

Staff members found to have engaged in fraud, waste, or abuse will be disciplined, up to and including discharge. The District will also seek to recover any wrongfully obtained assets from the employee.

Definitions

Fraud is defined as: (1) fraudulent financial reporting, (2) misappropriation of assets, and/or (3) corruption (bribery and other illegal acts). Examples of *fraud* include:

- Embezzlement, e.g., theft of cash, use of entity credit card or accounts payable systems to purchase personal items
- Collusion with others to circumvent internal controls
- Forgery or alteration of documents, e.g., checks, time cards, receipts, contracts, purchase orders, expense reimbursement paperwork, student bills, electronic files, bids, or other financial documents
- Fraudulent reporting of expenditures or other District financial information
- Misappropriation or misuse of resources, e.g., cash, securities, inventory, facilities, equipment, services, supplies, or other assets
- Impropriety in the handling or reporting of cash or financial transactions
- Unless properly authorized, accepting or seeking anything of material value from contractors, vendors, or persons providing services or materials
- Authorization or receipt of payment for goods not received or services not performed, e.g., payments to fictitious employees or vendors
- Submitting multiple vouchers for the same expense reimbursement
- Using the District's tax exempt status for purchase of personal items
- Authorization or receipt of unearned wages or benefits
- Personal use of District property in commercial business activities
- Identity theft
- Conflict of interest or other ethics violations

- Destruction, removal, or inappropriate use of records, buildings, furniture, fixtures, or equipment
- Any similar or related irregularity to those listed

Waste is the act of using or expending resources carelessly, extravagantly, or to no purpose.

Abuse is behavior that is deficient or improper compared to the behavior that a prudent person would consider reasonable and necessary operational practice given the facts and circumstances.

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement. *Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at <https://report.cybertip.org> or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse: Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the School Board; Indemnification*.

Administrative Procedure - Coordination with Children's Advocacy Center

Children's Advocacy Centers (CACs) are child-focused, trauma-informed, facility-based programs that provide a multi-disciplinary, comprehensive response to child abuse. Illinois CACs are organized and operate under the Children's Advocacy Center Act, 55 ILCS 80/. CACs are accredited based on standards set by the National Children's Alliance, 55 ILCS 80/2.5. See www.nationalchildrensalliance.org/.

If the District is located within a county that is served by an accredited CAC, it must coordinate with the CAC to implement the **Alleged Incidents of Sexual Abuse; Investigations** subhead of Board policy 5:90, *Abused and Neglected Child Reporting*, 105 ILCS 5/22-85. For a map of accredited CACs, and to identify a CAC that may serve the District, see www.childrensadvocacycentersofillinois.org/about/map. Use this procedure to coordinate with the District's local CAC.

Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.

4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in grooming as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests: Conflict of Interest: and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of

instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

Guidance Counselor Gift Ban

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

A guidance counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Administrative Procedure - Employee Conduct Standards

Professional and appropriate conduct is expected of all District employees. The standards listed below serve as a notice of expected conduct. The standards are intended to protect the health, safety, and general welfare of students and employees, ensure the community a degree of accountability within the School District, and define misconduct justifying disciplinary action, up to and including dismissal. The listed standards are not a complete list of expectations, and depending on the factual context, an employee may be disciplined for conduct that is not specifically listed. The conduct standards apply to all District employees to the extent they do not conflict with an applicable collective bargaining agreement; in the event of a conflict, the provision is severable and the applicable bargaining agreement will control. In addition, all employees who are governed by the *Code of Ethics for Illinois Educators* must comply with 5:120-E, *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE) (23 Ill.Admin.Code Part 22).

All school employees shall:

1. Exhibit positive examples of preparedness, punctuality, attendance, self-control, language, and appearance.
2. Exemplify honesty and integrity. Violations of this standard include, but are not limited to, falsifying, misrepresenting, omitting, or erroneously reporting the professional qualifications of oneself or another individual or information submitted in connection with job duties or during the course of an official inquiry/investigation.
3. Maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries, both in and outside the school. Attend all in-service trainings on educator ethics and responding to child sexual abuse and grooming behavior including, but not limited to, teacher-student conduct, school employee-student conduct, and evidence-informed training on preventing, recognizing, reporting, and responding to child sexual abuse and grooming as outlined in 105 ILCS 5/10-23.13 (*Erin's Law*) for all personnel (105 ILCS 5/10-22.39(b-35), added by P.A. 103-542, eff. 1-1-23 and operative 7-1-24), as well as all required trainings on child abuse, grooming behaviors, and employee-student boundary violations (325 ILCS 5/4(j) and 5/10-23.13 (*Erin's Law*)). Violations of this standard include, but are not limited to: (a) committing any act of child abuse or cruelty to children; (b) willfully or negligently failing to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/); (c) engaging in harassing behavior, including but not limited to sexually harassing a student (775 ILCS 5/5A-102, amended by P.A. 103-472, eff. 8-1-24); (d) willfully or negligently failing to report an instance of suspected sexual harassment as required by Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), (e) providing a recommendation of employment for an employee, contractor, or agent that the employee knows, or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law, as prohibited by the Elementary and Secondary Education Act (20 U.S.C. § 7926), (f) engaging in *grooming* as defined in 720 ILCS 5/11-25; (g) engaging in prohibited grooming behaviors, including *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c) (*Faith's Law*) and Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; (h) furnishing tobacco, alcohol, cannabis, or any other illegal/unauthorized substance, including e-cigarettes, to any student or allowing a student under his or her supervision to use

- tobacco, alcohol, cannabis (including medical cannabis unless the student is authorized to be administered a medical cannabis infused product by the school employee pursuant to *Ashley's Law*); and (i) violating expectations and guidelines for employee-student boundaries set forth in 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.
4. Maintain a safe and healthy environment, free from being impaired by and/or under the influence of prohibited substances to ensure high quality performance for the District and its students. The use of illegal drugs and/or abuse and misuse of alcohol, drugs, and other lawful products while on District premises or while performing work for the District diminishes the District's credibility and ability to educate students about drug and substance abuse prevention pursuant to Board policy 6:60, *Curriculum Content*. Violations of this standard include, but are not limited to, engaging in any of the prohibited activities listed in the District's drug- and alcohol-free workplace policy. Examples include using or being impaired by or under the influence of illegal drugs; abusing, misusing, and/or being impaired by or under the influence of alcohol, drugs, and/or other lawful products when performing work for the District when impairment is detectable regardless of when and/or where the use occurred; and/or using or being impaired or under the influence of or possessing medical cannabis in a school bus or on school grounds.
 5. Maintain a safe and healthy environment, free from harassment, intimidation, bullying, hazing, and violence, and free from bias and discrimination. Violations of this standard include, but are not limited to: (a) unless specifically permitted by the Firearm Concealed Carry Act, carrying a firearm on or into any District controlled building, real property, or parking area, or any transportation vehicle paid for in whole or in part with public funds; (b) willfully or negligently failing to immediately report suspected cases of child abuse or neglect or of gender harassment; (c) knowingly failing to report hazing to supervising educational authorities or, in the event of death or great bodily harm, to law enforcement; and (d) failing to appropriately respond to a witnessed or reported incident of student-on-student bullying, harassment, hazing, or teen dating violence.
 6. Comply with the Code of Ethics For Test Administration, prepared and published by ISBE for educators who administer any standardized test (at www.isbe.net/Documents/AssessmentCodeofEthics-2021-22.pdf), and with any assessment-specific administration guidance (see www.isbe.net/Pages/Assessment.aspx).
 7. Honor the public trust when entrusted with public funds and property by acting with a high level of honesty, accuracy, and responsibility. Violations of this standard include, but are not limited to: (a) misusing public or school-related funds; (b) failing to account for funds collected from students or parents/guardians; (c) submitting fraudulent requests for reimbursement of expenses or for pay; (d) co-mingling District or school funds with personal funds or checking accounts; and (e) using school property without the approval of the supervising school official.
 8. Maintain integrity with students, colleagues, parents/guardians, community members, and businesses concerning business dealings and when accepting gifts and favors. Violations of this standard include, but are not limited to, soliciting students or parents/guardians to purchase supplies or services from the employee or to participate in activities that financially benefit the employee without fully disclosing the interest.
 9. Respect the confidentiality of student and personnel records, standardized test material, and other information covered by confidentiality agreements. Violations of this standard include, but are not limited to: (a) disclosing confidential information concerning student academic and disciplinary records, health and medical information, family status and/or income, and assessment/testing results, unless disclosure is required or permitted by law; and (b) disclosing confidential information restricted by State or federal law.

10. Demonstrate conduct that follows generally recognized professional standards and attend all in-service trainings on educator ethics, teacher-student conduct, and school employee-student conduct for all personnel (105 ILCS 5/10-22.39, amended by P.A. 103-542, eff. 1-1-24 and operative 7-1-24). Unethical conduct is any conduct that impairs the employee's ability to function professionally in his or her employment position or a pattern of behavior or conduct that is detrimental to the health, welfare, discipline, or morals of students.
11. Comply with all State and federal laws and rules regulating public schools and Board policies, including but not limited to: 2:105 (*Ethics and Gift Ban*), 4:165 (*Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*), 5:10 (*Equal Employment Opportunity and Minority Recruitment*), 5:20 (*Workplace Harassment Prohibited*), 5:30 (*Hiring Process and Criteria*), 5:50 (*Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*), 5:60 (*Expenses*), 5:90 (*Abused and Neglected Child Reporting*), 5:100 (*Staff Development Program*), 5:120 (*Employee Ethics; Code of Professional Conduct; and Conflict of Interest*), 5:130 (*Responsibilities Concerning Internal Information*), 5:140 (*Solicitations By or From Staff*), 5:170 (*Copyright*), 5:180 (*Temporary Illness or Temporary Incapacity*), 5:200 (*Terms and Conditions of Employment and Dismissal*), 5:230 (*Maintaining Student Discipline*), 5:280 (*Duties and Qualifications*), 5:290 (*Employment Termination and Suspensions*), 6:235 (*Access to Electronic Networks*), 7:20 (*Harassment of Students Prohibited*), 7:180 (*Prevention of and Response to Bullying, Intimidation, and Harassment*), 7:190 (*Student Behavior*), 7:340 (*Student Records*), and 8:30 (*Visitors to and Conduct on School Property*).

Conviction of any employment disqualifying criminal offense listed in 105 ILCS 5/10-21.9 or 5/21B-80 will result in dismissal.

Before disciplinary action is taken, the supervisor will conduct a fair and objective investigation to determine whether the employee violated a standard or other work rule and the extent that any violation impacts educational or operational activities, effectiveness, or efficiency. Discipline must be appropriate and reasonably related to the seriousness of the misconduct and the employee's record. Any applicable provision in a contract, bargaining agreement, or State law will control the disciplinary process.

Comply with the federal law prohibiting the District from providing a recommendation of employment for an employee, contractor, or agent that District knows, or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law, but the Superintendent or designee may follow routine procedures regarding the transmission of administrative or personnel files for that employee.
3. Manage the District's responses to employer requests for sexual misconduct related employment history review (EHR) information in accordance with *Faith's Law*.

Access to Employee Records and Correction Requests

An employee is granted access to his or her personnel records according to provisions in the Ill. Personnel Record Review Act (PRRA), 820 ILCS 40/, and any relevant provisions in an applicable collective bargaining agreement. Except for the documents described in 820 ILCS 40/10, an employee is granted access to his or her personnel records at least two times in a calendar year at reasonable intervals. Unless otherwise indicated in an applicable bargaining agreement, access to the employee's personnel records will be according to the following guidelines:

1. The employee must submit a written inspection request to the Superintendent or the Superintendent's designee.
2. The Superintendent or designee will provide the employee the opportunity for inspection within seven working days after the request. If such deadline cannot reasonably be met, the District will have an additional seven days to comply.
3. The employee will inspect the personnel record at the District's administrative office during normal working hours or at another time mutually convenient to the employee and the Superintendent or designee.
4. Inspection of personnel records will be conducted under the supervision of an administrative staff member.
5. Neither an employee nor his or her designated representative will have access to records that are treated as exceptions in the PRRA discussed below.
6. The employee may copy material maintained in his or her personnel record. Payment for record copying will be based on the District's actual costs of duplication.
7. The employee may not remove any part of his or her personnel records from his or her file or may not remove any part of his or her personnel records from the District's administrative office.

8. Upon the employee's request, the District will email or mail a copy of the specific record(s) to the email address or mailing address identified by the employee for the purpose of receiving the record(s). The District will charge a fee for providing a copy of the records not to exceed the actual cost of the copying.

10. If the employee disagrees with any information contained in the personnel record, a removal or correction of that information may be mutually agreed upon by the District and employee. If agreement cannot be reached, the employee may submit a written statement explaining his or her position. The District will attach the employee's statement to the disputed portion of the personnel record and the statement will be included whenever that disputed record is released to a third party as long as the disputed record is part of the employee's personnel file. Inclusion of any written statement attached to the disputed record in an employee's personnel file without any further comment or action by the District will not imply or create any presumption that the District agrees with the statement's contents.

Requests by Third Parties

The Board Attorney shall be consulted whenever a subpoena or court order requests personnel record information. Any other request for personnel information by a third party will be treated as a FOIA request and immediately forwarded to the School District's Freedom of Information Officer (see 2:250-AP1, *Access to and Copying of District Public Records*). Concerning a request for a disciplinary report, letter of reprimand, or other disciplinary action:

1. If the responsive record is more than four years old and is not related to an incident or an attempted incident of sexual abuse, severe physical abuse, or sexual misconduct as defined in 105 ILCS 5/22-85.5(c), access will be denied unless the release is ordered in a legal action or arbitration. 5 ILCS 140/7.5(q); 820 ILCS 40/8, amended by P.A. 102-702.
2. If the responsive record is more than four years old and is related to an incident or an attempted incident of sexual abuse, severe physical abuse, or sexual misconduct as defined in 105 ILCS 5/22-85.5(c), the request cannot be denied. 820 ILCS 40/8, amended by P.A. 102-702.
3. If the responsive record is four years old or less, access will be granted (regardless of its nature). The District will provide the employee with written notice or through electronic mail, if available, on or before the day any such record is released, unless notice is not required under the Personnel Record Review Act. 5 ILCS 140/7.5(q); 820 ILCS 40/7 and 40/8, amended by P.A. 102-702.
4. The employee will not be informed if the employee has specifically waived written notice as part of a written, signed employment application with another employer; the disclosure is ordered to a party in a legal action or arbitration; or information is requested by a government agency as a result of a claim or complaint by an employee, or as a result of a criminal investigation by such agency.

A FOIA request for a performance evaluation will be denied. 820 ILCS 40/11, 5 ILCS 140/7.5(q).

Before replying to a request from a third party, the District will review the requested records and delete or redact material that is protected from disclosure. 820 ILCS 40/8, amended by P.A. 102-702.

Restriction on Employee Access

The PRRA, 820 ILCS 40/10, provides that the right of the employee or the employee's designated representative to inspect his or her personnel records does not extend to:

1. Letters of reference for that employee.
2. Any portion of a test document, except that the employee may see a cumulative total test score for either a section of or the entire test document.
3. Materials relating to the employer's staff planning, such as matters relating to the District's development, expansion, closing or operational goals, where the materials relate to or affect more than one employee, provided, however, that this exception does not apply if such materials are, have been or are intended to be used by the employer in determining an individual employee's qualifications for employment, promotion, transfer, or additional compensation, or in determining an individual employee's discharge or discipline.
4. Information of a personal nature about a person other than the employee if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
5. Records relevant to any other pending claim between the District and employee that may be discovered in a judicial proceeding.
6. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, mental or behavioral health complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq.*) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-

law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member; (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher should request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal

leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 *et seq.*).

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2, and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.

Administrative Procedure - Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers

The District's drug and alcohol testing program shall apply to all individuals in positions that require a commercial driver's license and those that require an Illinois school bus driver permit. This includes casual, intermittent, or occasional drivers, leased drivers and independent owner-operator contractors, as well as full-time, regularly employed drivers. The Superintendent or designee will identify which positions are covered by the various provisions of this procedure.

Pre-Employment Tests

A pre-employment drug test shall be required of an applicant only after he/she has been offered the position.

Drug tests shall be conducted before the first time a driver performs any safety-sensitive function for the District. Safety-sensitive functions include all on-duty functions performed from the time a driver begins work or is required to be ready to work until he/she is relieved from work and all responsibility for performing work. Exceptions may be made for drivers who have participated in the drug testing program required by law within the previous 30 days, provided that the District has been able to make all verifications required by law.

Pre-employment testing shall also be required of employees returning to work after a layoff period if the employee was removed from the random testing pool. If the employee remains in the random testing pool, additional testing shall not be necessary.

Controlled Substance Use

Drivers shall inform their supervisors if at any time they are using a drug that their physician has prescribed for therapeutic purposes. Drivers using a Schedule I controlled substance cannot perform safety-sensitive functions. Drivers using a non-Schedule I controlled substance may continue to perform safety-sensitive functions only if a licensed medical practitioner who is familiar with the driver's medical history has advised the driver that the substance will not adversely affect his/her ability to safely operate a commercial motor vehicle. If the District has actual knowledge that a driver has used a controlled substance, it shall not permit the driver to perform or continue to perform a safety-sensitive function.

Pre-Duty Use of Alcohol

No driver shall perform safety-sensitive functions within four hours after using alcohol. If the District has actual knowledge that a driver has used alcohol within four hours, it shall not permit the driver to perform or continue to perform safety-sensitive functions.

On-Duty Use of Alcohol

No driver shall use alcohol while performing safety-sensitive functions. If the District has actual knowledge that a driver is using alcohol while performing safety-sensitive functions, it shall not permit the driver to perform or continue to perform safety-sensitive functions.

Post-Accident Tests

Alcohol tests shall be conducted as soon after an accident as practicable on any surviving driver:

1. Who was performing safety-sensitive functions with respect to the vehicle, if the accident involved the loss of human life; or
2. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - a. Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
 - b. One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Controlled substance tests shall be conducted as soon after an accident as practicable on any surviving driver:

1. Who was performing safety-sensitive functions with respect to the vehicle, if the accident involved loss of human life;
2. Who receives a citation within 32 hours of occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - a. Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
 - b. One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Drivers shall make themselves readily available for testing, absent the need for immediate medical attention.

No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

If an alcohol test is not administered within two hours following the accident or if a drug test is not administered within 32 hours following the accident, the District shall prepare and maintain records explaining why the test was not conducted. Tests will not be given if not administered within eight hours after the accident for alcohol or within 32 hours for drugs.

Tests conducted by authorized federal, State, or local officials shall fulfill post-accident testing requirements provided they conform to applicable legal requirements and are obtained by the District. Breath and blood tests meet the requirements of alcohol testing. A urine test meets the requirements of a controlled substances test.

Random Tests

Alcohol and drug tests shall be conducted on a random basis at unannounced times throughout the year. The number of random alcohol and drug tests shall be at least equal to those required by federal regulations. Drivers shall be selected by a scientifically valid random process, and each driver shall have an equal chance of being tested each time selections are made. Tests for alcohol shall be conducted just before, during, or just after the performance of safety-sensitive functions.

Employees off work due to leaves, vacation, and layoffs shall be informed that they remain subject to random testing. Employees drawn for such testing shall be notified and tested as soon as practicable after they return to duty.

Probable Cause Tests (Applicable to School Bus Driver Permit Holders)

A driver who has received a Uniform Traffic Ticket while in control of a school bus or any other vehicle owned or operated by or for the District, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any

activity of the District, may be tested for alcohol. To justify an alcohol test, a police officer must have probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer.

Upon receipt of a law enforcement officer's sworn report that the test result was positive or that the driver refused to be tested, the Secretary of State will notify both the permit holder and the District of the sanction (sanction is effective on the 46th day following the date notice was given).

Reasonable Suspicion Tests (Applicable to School Bus Driver Permit Holders)

An alcohol or drug test shall be conducted if a supervisor or District official trained in accordance with law has reasonable suspicion that a driver has violated the District's alcohol or drug prohibitions. This reasonable suspicion must be based on specific, contemporaneous, articulable observations concerning the driver's appearance, behavior, speech, or body odors. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Alcohol tests are authorized for reasonable suspicion only if the required observations are made during, just before, or just after the period of the work day when the driver must comply with alcohol prohibitions. An alcohol test may not be conducted by the supervisor or District official who determines that reasonable suspicion exists to conduct such a test. If an alcohol test is not administered within two hours following a determination of reasonable suspicion, the District shall prepare and maintain a record explaining why the alcohol test was not promptly administered. If an alcohol test is not administered within eight hours following a determination of reasonable suspicion, the District shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test. Notwithstanding the absence of a reasonable suspicion alcohol test, no driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while he or she is under the influence of or impaired by alcohol.

A supervisor or District official who makes observations leading to a controlled substance reasonable suspicion test shall make a written record of his/her observations within 24 hours of the observed behavior or before the results of the drug test are released, whichever is earlier.

The Superintendent or designee shall ensure that an employee under reasonable suspicion is transported to the designated collection or testing site.

The Superintendent or designee shall notify the Secretary of State, in a manner and form prescribed by the Secretary, of the result of a reasonable suspicion test when: (i) the test indicates an alcohol concentration greater than 0.00; (ii) the test indicates a positive result on a National Institute on Drug Abuse five-drug panel utilizing the federal standards set forth in 49 C.F.R. 40.87; or (iii) when a driver refuses testing. The notification to the Secretary must be submitted within 48 hours of the refusal of testing or the employer's receipt of the test results.

Commercial Driver's License Drug and Alcohol Clearinghouse Checks for all CDL Drivers

Prior to employment, the District will conduct a full query of the Federal Motor Carrier Safety Administration's Drug and Alcohol Clearinghouse to obtain information about the driver's eligibility under federal rules to perform a safety-sensitive function. For current employees, the District will, at least annually, conduct a limited query of the Clearinghouse for each driver. If information exists in the Clearinghouse about the individual driver, the District will conduct a full query within 24 hours to determine the driver's eligibility under federal rules to perform any safety-sensitive function. If the District fails to conduct a full query within 24 hours, it will not allow the driver to continue to perform any safety-sensitive function until it conducts the full query and confirms that the driver may perform such functions.

Enforcement for Non-School Bus Driver Permit Holders

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater. If the District has actual knowledge that a driver has an alcohol concentration of 0.04 or greater, it shall not permit the driver to perform or continue to perform safety-sensitive functions.

Federal laws require that any driver who refuses to submit to a post-accident, random, reasonable suspicion test, or follow-up test as described below, shall not perform or continue to perform safety-sensitive functions. The District shall not permit a driver who refuses to submit to such tests to perform or continue to perform safety-sensitive functions.

A driver who is tested and found to have an alcohol concentration of .02 or greater, but less than 0.04, may not perform or continue to perform safety-sensitive functions, including driving a commercial motor vehicle, until the start of the driver's next regularly scheduled duty period, but not less than 24 hours after the test was administered.

A driver who tests positive for drugs or an alcohol concentration of 0.04 or greater shall be subject to District disciplinary action up to and including dismissal.

A driver who violates District prohibitions related to drugs and alcohol shall receive from the District the names, addresses, and telephone numbers of substance abuse professionals and counseling and treatment programs available to evaluate and resolve drug and alcohol-related problems. The employee shall be evaluated by a substance abuse professional (SAP) who shall determine what help the driver needs in resolving such a problem. Any SAP who determines that a driver needs assistance shall not refer the driver to a private practice, person, or organization in which he/she has a financial interest, except under circumstances allowed by law.

An employee identified as needing help in resolving a drug or alcohol problem shall be evaluated by a SAP to determine that he/she has properly followed the prescribed rehabilitation program.

If an employee is permitted to return to the performance of safety-sensitive functions, the District will not allow, require, permit or authorize a driver to operate a commercial motor vehicle during any period in which the District determines that a driver is not in compliance with the return-to-duty requirements, after the occurrence of any of the following events:

1. The driver receives a positive, adulterated, or substituted drug test result.
2. The driver receives an alcohol confirmation test result of 0.04 or higher alcohol concentration.
3. The driver refused to submit to a test for drugs or alcohol required by federal regulations.
4. The driver used alcohol prior to a post-accident alcohol test.
5. An employer has *actual knowledge* that a driver has:
 - a. Used alcohol while performing safety-sensitive functions;
 - b. Used alcohol within four hours of performing safety-sensitive functions; or
 - c. Used a controlled substance.

Return-to-Duty Tests for Non-School Bus Driver Permit Holders

If a driver who has violated the District's drug or alcohol prohibition is returned to performing safety-sensitive duties, a drug or alcohol test shall be conducted.

The District shall not allow employees whose conduct involved drugs to return to duty in a safety-sensitive function until the return-to-duty drug test produces a verified negative result. The District shall not allow employees whose conduct involved alcohol to return to duty in a safety-sensitive function until the return-to-duty alcohol test indicates an alcohol concentration of 0.02 or less.

Follow-Up Tests for Non-School Bus Driver Permit Holders

A driver who violates the District's drug or alcohol prohibition and is subsequently identified by a SAP as needing assistance in resolving a drug or alcohol problem shall be subject to unannounced follow-up testing as directed by the SAP in accordance with the law. The District must carry out the substance abuse professional's follow-up testing requirements.

Follow-up testing shall consist of at least six tests in the first 12 months following the driver's return to duty. Testing shall not occur beyond 60 months from the date of the driver's return to duty. The substance abuse professional may terminate the follow-up testing if he/she determines that the employee has successfully demonstrated compliance.

Maintenance of Records for Non-School Bus Driver Permit Holders

Employee drug and alcohol test results and records shall be maintained under strict confidentiality and released only in accordance with the law. Upon written request, a driver shall receive copies of any records pertaining to his/her use of drugs or alcohol, including any records pertaining to his/her drug or alcohol tests. Records shall be made available to a subsequent employer or other identified persons only as expressly requested in writing by the driver.

Enforcement for School Bus Driver Permit Holders

In Illinois, a person whose privilege to possess a school bus driver permit has been canceled under 625 ILCS 5/6-106.1a is not eligible for restoration of the privilege until the expiration of three years from the effective date of the cancellation if the person has refused or failed to complete a test or tests to determine blood alcohol concentration, or has submitted to testing with a blood alcohol concentration of more than 0.00.

The Ill. Secretary of State must suspend a school bus driver permit for a period of three years upon receiving notice that the holder refused to submit to an alcohol or drug test as required by Section 5/6-106.1c or has submitted to a test required by that Section that disclosed an alcohol concentration of more than 0.00 or disclosed a positive result on a National Institute on Drug Abuse five-drug panel, utilizing federal standards set forth in 49 C.F.R. 40.87.

A driver who tests positive for drugs or is found to have an alcohol concentration of greater than 0.00 shall have their employment terminated.

Notifications

Each driver shall receive educational materials that explain the requirements of the Code of Federal Regulations, Title 49, Part 382, together with a copy of the District's policy and regulations for meeting these requirements. Representatives of employee organizations shall be notified of the availability of this information. The information shall identify all of the following:

1. The person designated by the District to answer drivers' questions about the materials;
2. The categories of drivers who are subject to the Code of Federal Regulations, Title 49, Part 382;
3. Sufficient information about the safety-sensitive functions performed by drivers to make clear what period of the work day the driver is required to comply with Part 382;

5. The circumstances under which a driver will be tested for drugs and/or alcohol under Part 382, including post-accident testing under §382.303(d);
6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of test results, and ensure that test results are attributed to the correct driver, including post-accident information, procedures and instructions required by §382.303(d);

7. The requirement that a driver submit to drug and alcohol tests administered in accordance with Part 382;
8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences;
9. The consequences for drivers found to have violated the drug and alcohol prohibitions of Part 382, including the requirement that the driver be removed immediately from safety-sensitive functions and the procedures for referral, evaluation, and treatment;
10. The consequences for drivers who do not hold a school bus driver permit found to have an alcohol concentration of 0.02 or greater but less than 0.04;
11. The consequences for drivers who hold a school bus driver permit found to have an alcohol concentration over 0.00;
12. The effects of drugs and alcohol on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a coworker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to an employee assistance program; and/or referral to management;
13. The requirement that personal information collected and maintained by the District will be reported to the Federal Motor Carrier Safety Administration's Drug and Alcohol Clearinghouse, including:

 - b. An alcohol confirmation test with a concentration of 0.04 or higher;
 - c. A refusal to submit to any test required by law;
 - d. The District's report of actual knowledge of on-duty alcohol use, pre-duty alcohol use, alcohol use following an accident, and controlled substance use; and
14. Other legal requirements, District policies, and disciplinary consequences related to the use of alcohol and drugs.

Each driver shall sign a statement certifying that he/she has received a copy of the above materials.

Before any driver operates a commercial motor vehicle, the District shall provide him/her with post-accident procedures that will make it possible to comply with post-accident testing requirements.

Before drug and alcohol tests are performed, pursuant to 49 C.F.R. Part 382, the District shall inform drivers that the tests are required by these regulations.

The District shall notify a driver of the results of a pre-employment drug test if the driver requests such results within 60 calendar days of being notified of the disposition of his/her employment application.

The District shall notify a driver of the results of random, reasonable suspicion, and post-accident drug tests if the test results are verified positive. The District shall also tell the driver which controlled substance(s) were verified as positive.

Educational Support Personnel

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Veterans Day
Casimir Pulaski's Birthday	2024 Election Day
Memorial Day	Thanksgiving Day
Juneteenth National Freedom Day	Christmas Day
Independence Day	

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Full-time educational support personnel have one paid personal leave day per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last five days of the school year, unless the Superintendent grants prior approval.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Ill. Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with State law.

General Personnel

Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and

2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Instruction

Organization of Instruction

The School District has instructional levels for grades _____ through _____. The Superintendent shall annually present to the School Board a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. The District also offers a half-day kindergarten for those parents/guardians who request a half-day program.

Daily time of at least 30 minutes (with a minimum of at least 15 consecutive minutes if divided) will be provided for supervised, unstructured, child-directed play for all students in kindergarten through grade 5. Before the completion of grade 5, students will be offered at least one unit of cursive instruction. Students otherwise eligible to take a driver education course must receive a passing grade in at least eight courses during the previous two semesters before enrolling in the course. The Superintendent or designee may waive this requirement if he or she believes a waiver to be in the student's best interest. The course shall include: (a) instruction necessary for the safe operation of motor vehicles, including motorcycles, to the extent that they can be taught in the classroom, (b) classroom instruction on distracted driving as a major traffic safety issue, (c) instruction on required safety and driving precautions that must be observed at emergency situations, highway construction and maintenance zones, and railroad crossings and their approaches, and (d) instruction concerning law enforcement procedures for traffic stops, including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Residence

Resident Students

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5/14-1.11a, and 5/14-1.11b.

Requests for Nonresident Student Admission

Nonresident students may attend District schools upon the approval of a request submitted by the student's parent(s)/guardian(s) for nonresident admission. The Superintendent may approve the request subject to the following:

1. The student will attend on a year-to-year basis. Approval for any one year is not authorization to attend a following year.
2. The student will be accepted only if there is sufficient room.
3. The student's parent(s)/guardian(s) will be charged the maximum amount of tuition as allowed by State law.
4. The student's parent(s)/guardian(s) will be responsible for transporting the student to and from school.

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and School Board policy. The program shall include but not be limited to:

3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.

7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
 8. A process for the collection and review of chronic absence data and to:
 - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
 - b. Encourage the habit of daily attendance and promote success.
 9. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.
 10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
 11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
 12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
 13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
- [For high school and unit districts only]
14. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous six months.
