***Update on
Return to Learn
Plan***

Dr. Mayer shared that COVID testing is continuing each Thursday at Park View. Last Thursday, twelve staff members were tested and all twelve were negative. There are no cases or pending cases of COVID with staff or students at Park View. North Shore Testing is the company that has been doing the weekly testing and the district is working with them to see if they can test all students before they come back to school in August.

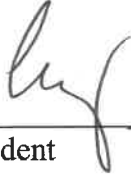

The 7-day rolling average in Morton Grove is 2.12% and the 14-day rolling average in Morton Grove is 3.18%. Both of these are in the green zone.

The Operations and Procedures subcommittee of the back to school task force will be observing the lunch procedures at two different schools.

The district will have Committee of the Whole meetings until the end of the school year. After that it will be determined if they will continue and if so, how often.

Adjournment The meeting adjourned at 5:34pm.

Approved by:

President

Secretary
